

## Health and Beauty Aids

We take pride in our large assortment of essential oils...purity, efficacy and especially the cost! We also stock a full line of carrier oils, natural hair products, facial products, deodorants, pain relief ointments and much more. Beauty is only skin deep, but what you do and what you think is what makes you beautiful!

## Grocery

- **Bulk Center** - We stock a large variety of organic culinary and medicinal teas and herbs. Bon Appetite!!

- Zoolies offers an assorted variety of ready-made protein shakes, coconut drinks, nut milks along with bottled water to quench your thirst! Check out our wide variety of natural sodas, with our without sugar and different flavors of Kombucha!
  
- **Foods** - Zoolies carries a large selection of gluten free, Paleo friendly and non-GMO foods. Just to name a few...
  - Snack bars
  - Protein bars
  - Breads
  - Pasta
  - Flours
  - Baking mixes
  
- **Refrigerated & Frozen** - Zoolies stocks assorted cold beverages as well as perishable items. It is also important to us to support local farmers. That's why we continue to carry Frog Holler eggs which come from Organic, Pasture range-free clean eating chickens and Dr Frank King's Bison burgers and hot dogs.

“We know how important it is to maintain a healthy diet and mind. If we take care of our body, our body will take care of itself, which in turn means a happy mind, body and spirit. –Zoolie
